FOR IMMEDIATE RELEASE

February 13, 2023

The National Board of Echocardiography (NBE) announces a redesigned website.

The NBE is delighted to announce the launch of a new website to incorporate a technology upgrade, www.echoboards.org.

NBE is introducing an upgraded state-of-the-art process that will improve efficiency and increase customer success.

Please click [here](#) to learn more about NBE's technology updates.

"We are thrilled to announce a new information technology enhancement that meets future growth, improve efficiencies and user experience," said **NBE's Executive Director, Sherry Barrow, MPA.**
