Disclosure Policy

It is the policy of the Society of Cardiovascular Anesthesiologists (SCA) that the planners, faculty, and reviewers disclose the existence of any relevant financial relationships in any amount that they or their spouse or significant other has with the manufacturer(s) of any commercial product(s) or services relating to the topics presented in the educational activities. SCA also requires disclosure of the intent to discuss unlabeled uses of a commercial product or investigational use of a product not yet approved for this purpose. It is the responsibility of the TAS Program Committee to review relevant financial disclosures as submitted in the disclosure form and resolve relevant conflicts of interest. Resolving the conflict ensures that the content of the activity is aligned with the interests of the public. Detailed disclosure information will be made available to attendees, who will also be informed when no relevant financial relationships exist.
