Media waiver: SCA may take photographs, video, and/or audio of this event for use in SCA news, as well as promotional and educational materials in print, electronic, and other media—including the SCA website. By participating in this event, you grant SCA the right to use any video, image photograph, voice, or likeness—without limitation—in its news, promotional materials, and educational and publicity efforts without compensation. All types of media will become property of SCA.

Cancellation Policy: All registration cancellations and refund requests must be made in writing by April 18, 2019. A refund of the full conference fee, minus a \$100 administrative fee, will be given for cancellations received by that date. No refunds will be granted for requests postmarked after April 18, 2019. SCA reserves the right to substitute faculty or to cancel or reschedule sessions because of low enrollment or other unforeseen circumstances. If SCA must cancel the entire meeting, registrants will receive a full credit or refund of their paid registration fee. No refunds can be made for lodging, airfare, or any other expenses related to attending the meeting.

Personally Identifiable Information: By registering for this event, you agree to the collection, use, and disclosure of Personally Identifiable Information (PII). PII includes any information that identifies you personally (e.g., name, address, e-mail address, phone number, etc.). SCA will use PII to: (a) enable your event registration; (b) review, evaluate, and administer SCA initiatives; (c) market SCA opportunities you may potentially be interested in; and (d) share your PII with third parties that perform services on behalf of SCA, such as database management, event housing, and transportation. SCA may use your PII as long as SCA remains active in conducting any of the above purposes. SCA will not sell your PII.
